FEATURES

DESCRIPTION

Newly built homes in Arenales del Sol. New project under construction, which includes homes with 2 bedrooms and 2 bathrooms, all of them with large terraces. The ground floors have a garden and the last two a private space in the solarium, from which to enjoy the sun and our magnificent climate, to complement it, it is delivered with an underground garage and storage room. A common area with a large swimming pool, playground and an indoor gym complete a residential complex in a truly privileged area. Located on the Arenales del Sol beach, one of the best beaches on the Costa Blanca. Its crystal clear blue waters are the perfect place to practice sports and nautical activities. You can take wonderful walks along its boulevard from which you can also access the beach. This area is perfectly connected, very close to the city of Alicante and the International Airport only 5 minutes as well as many other services in the surroundings. Built with excellent qualities such as: Aluminum exterior carpentry, with thermal break and double glazing. Railings on the glass terraces. Interior carpentry, white lacquered wood. Built-in wardrobes in all rooms, lined and with drawers. Pre-installation of air conditioning ducts Electric shutters Kitchen with high cabinets up to the ceiling and lacquered bases color to be determined. Silestone or similar countertop color to be determined. Undermount sink with mixer tap. Aerothermal unit for domestic hot water with a 110-litre tank. Bathrooms, with resin shower tray with glass partition and built-in taps with shower. Suspended porcelain washbasin with cabinet and mirror. Single lever faucet. Floor of the house in porcelain with imitation wood colors model to be determined. Tile in bathroom, white. model to be determined Private urbanization, with video intercom. Communal swimming pool. Underground parking with storage.
